ORIENT
MEDICAL CENTER

The Stethoscope Shape (Outer Orbit)

Represents the medical field, symbolizing care, diagnosis, and patient connection. It also forms a circular orbit that reflects the brand's name.

The ECG Line (Heartbeat Signal)

Placed at center to highlight the essence of health, vitality, and the heartbeat of every patient we care for.

The Circular Form

Represents unity, protection, and the holistic nature of healthcare. It also hints at a planet or orbit, reinforcing the name and identity.

The Bold Typeface

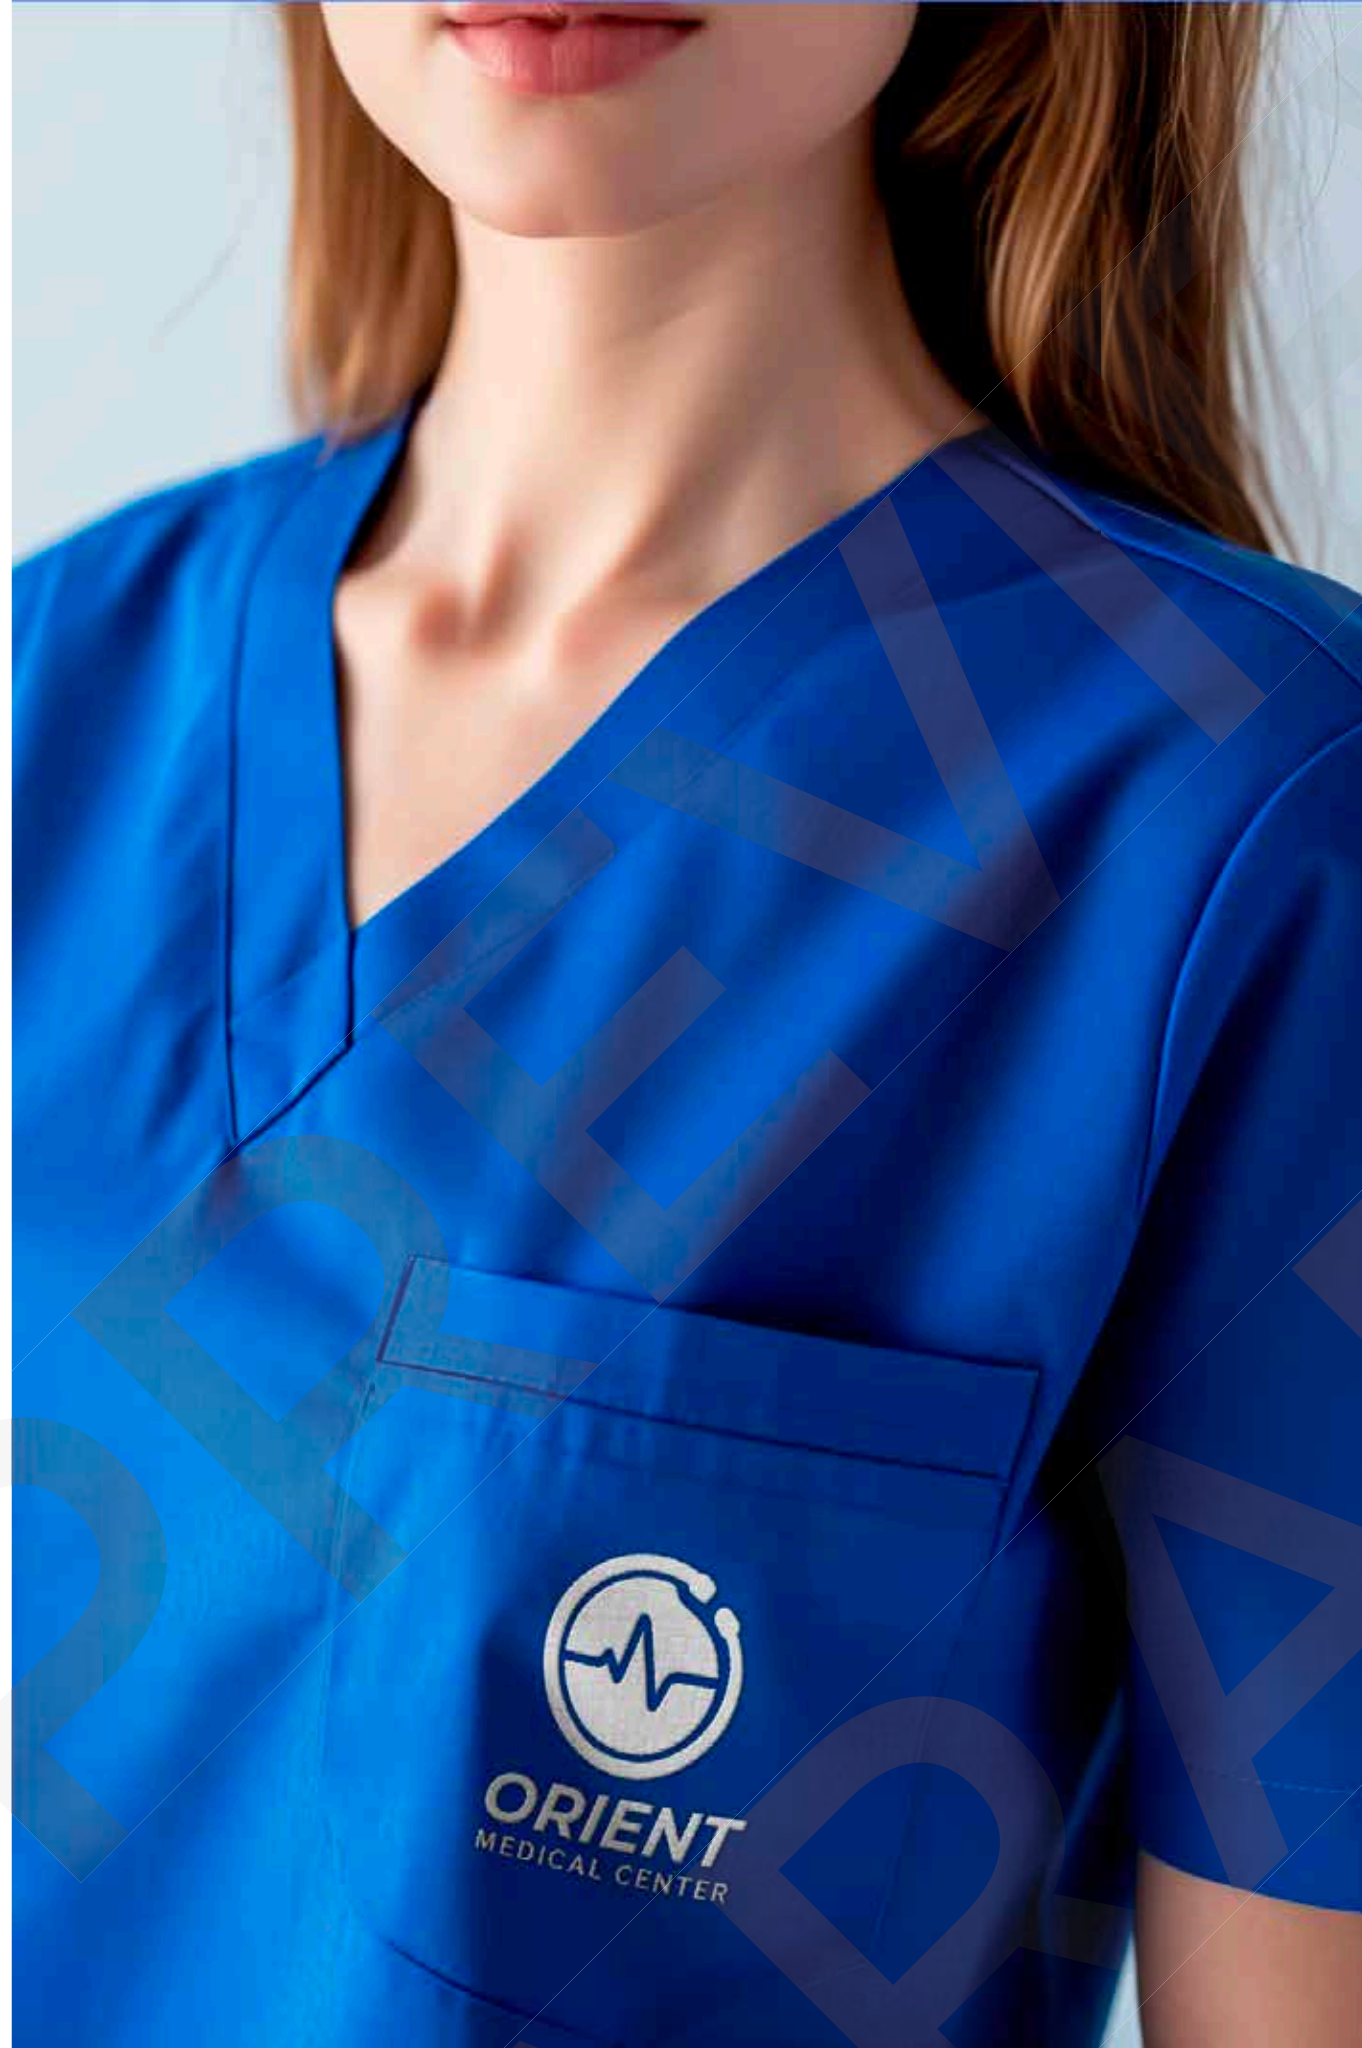

Modern and strong -symbolizing confidence, reliability, and a bold approach to quality
